Okay. We will lose some of our folks off the call who are located in California, but if that is the only time that they have then I think we can make it work. Does 9am work on the 22nd work? If so, I can send the invite.

Hi Tysan:

Unfortunately, that time does not work for all the participants anymore. The next available opening appears to be on Wednesday, November 9th at 4:30pm.

Can you let me know if that works for USDA?

Yes. I am available to talk on Monday and I'm looping in the Case Manager, Brittany Martinez. As EPA has regulatory timeframes for processing nondiscrimination complaints, we are eager to move the ball forward on this matter. So we need to talk about how we would coordinate if that's the path forward from USDA's perspective, who is USDA's point of contact, when can we have a larger meeting/discussion, etc.

Thanks for reaching out. My phone number is 202-564-7299.
